VILLA TAMARSHA

CALIFORNIE, CANNES

Villa Tamarsha, set in a prestigious district of California in Cannes, is a matchless estate. Created and decorated by a renowned local architect, the artistic design skilfully blends noble materials and offers an exceptional panorama of the bay of Cannes and Esterel. Discrete and secluded, yet moments away from the action, Villa Tamarsha encapsulates the indulgent spirit of Mediterranean luxury living.

Interiors present a glorious combination of haute couture glamor and contemporary European refinement. On the villa's ground floor are the entrance hall, double reception dining room, living room, and entertainment room with the authentic Alex Monopoly wall art. Monumental arches welcome an astounding chef's kitchen and dining hall with majestic chandeliers and exposed original masonry. The stone and woodwork flooring intertwine skillfully, separating the living space. Additionally, the ground floor is reserved for four en-suite bedrooms, including a master bedroom. All the bedrooms are impeccably designed, with bathrooms boasting marble walls and lots of natural lighting. Up the stairs, on the upper floor, are two en suite bedrooms, including a master one, opening onto a beautiful private terrace overlooking the garden, the pool, and the Mediterranean Sea. An office featuring a sofa bed provides additional accommodation. This upscale abode also has a large wine cellar and a poolhouse with a summer kitchen. Enjoy the gym, the hammam, and the massage room for maximum rejuvenation and activity during the vacation.

The professionally landscaped garden is crowned with an infinity edge pool overlooking the blue horizon. Take up a game of ping-pong or lounge around the pool soaking up the sun, the Villa offers you endless possibilities you can explore during your stay. Whether guests are savoring a morning coffee or saluting a late summer sunset with a fine glass of red, the shimmering expanse of the sea never tires.

LVH CANNES

CALIFORNIE

Cannes is an exclusive paradise that has become the envy of the French Riviera. Spellbinding and glamorous, this city has become an alluring blend of Hollywood glitz and French refinement. Representing the epitome of the good life and modern-day high culture, this port city has been an esteemed destination for more than a century. Marvel at the ambrosial hillsides dotted by magnificent 19th-century villas and bask in its neoclassical grandeur. Cannes presents an unparalleled French "joie de vivre" and cosmopolitan vibe. Its renowned Walk of Fame, iconic Hotel Carlton, and golden sands have become synonymous with cinema royalty. Cannes may be to the postmodern era what Florence was to the Renaissance. Here, the world's hottest trends in fashion, cinema, and gastronomy converge in one luxurious resort town. The port sees an ever-growing fleet of super yachts and the picturesque La Croisette is one of the world's most coveted streets. Despite its opulent exterior, Cannes is steeped in history. A labyrinth of serpentine medieval alleys houses modern bistros and high-end galleries in Le Suquet. Featuring an irresistible cultural itinerary, delicious gastronomy, and breathtaking natural beauty, Cannes is a leader in the realm of exclusive living.
