KAIA KAMINA

RUM POINT, CAYMAN ISLANDS

Kaia Kamina is an outstanding manifestation of beachside luxury. Prestigiously poised near Rum Point, this exquisite Cayman Islands luxury vacation rental brings guests to the very edge of some of the Caribbean's most dazzling stretches of coastline. Known for its world-class diving spots, vibrant coral reefs, and serene turquoise waters, the Cayman Islands offer an unparalleled blend of natural beauty and exclusive island living.

Interiors present the ultimate merger of vibrant Island color, seaside romanticism, and contemporary glamor. Retractable glass walls bring the glorious technicolor of the outdoors inside, while tray ceilings and modern LED lighting add a thoroughly cosmopolitan inflection. Playful tones of peach and light blue add plenty of whimsy and personality to the deep-seated sectionals. Muted teal accent walls impart a distinctly tropical ambiance while retaining the crisp grandeur of the great room. Sumptuous bedrooms accommodate up to eighteen guests in utmost comfort, across the five-bedroom Main house which can be rented separately, and two cottages. Three oceanfront master suites present plush king-sized bedding and a breezy private balcony extending before the shimmering expanse. Two more garden-view suites aim to please our smallest guests with two twin beds in one bedroom and two full-over-full bunk beds in the other. Finally, this exceptionally family-friendly estate's two autonomous guest homes offer the utmost lodging versatility for large groups while maximizing interaction with the splendid outdoors.

Exceptional interiors present many shaded and unshaded lounge areas between the pool deck, veranda, and poolside gazebo. Take your pick before the heated comfort of the infinity pool, or descend the stairs to a heavenly slice of pristine white sands and crystalline turquoise waters, making it the perfect Cayman Islands luxury vacation rental experience.
