VILLA TAYLOR

BONIFACIO, CORSICA

Villa Taylor is a stunning coastal property peering into the purest distillation of Corsican natural beauty. Exceptionally poised in the peripheries of the cliffside town of Bonifacio, this vacation rental is a mere three miles from Pianterella beach and the stunning golf links of Sperone. Fusing spectacular views, otherworldly nature, and a striking design direction, Villa Taylor is sure to dazzle the most seasoned luxury adventurer.

Aesthetically immaculate interiors set forth a stunning merger of bohemian seaside romanticism and retrofuturist glamor. Plush designer furnishings are awash with playful tangerine hues reminiscent of the seventies. Natural wood console tables and polished stone accents ground the space in a seaswept naturalism. Vaulted exposed beam ceilings make up a gorgeous great room flanked by retractable glass walls and oversized windows. Stone tiles curate an exquisite sense of continuity with generous outdoor spaces, allowing garden access from either side of the living space. Inviting, chic, and exceptionally breezy, Villa Taylor's modular common rooms are ideally suited for family get-togethers or sophisticated cocktail soirees huddled around a lovely gas fireplace pivoting between outdoor spaces. A sunken gourmet kitchen revels in a summer of love hedonism with a scintillating precious stone Island presenting a galaxy of quartzite swirls. Deep teal tones compliment this appealing Cucina with sleek, warm wood cabinetry. Playful, whimsical, and exceptionally elegant, Villa Taylor sleeps fourteen guests in seven individually appointed ensuite bedrooms. Amenities include a cinema room, massage room, and top-notch laundry facilities for total comfort.

This stunning waterfront estate provides several outdoor lounge areas, allowing guests to enjoy the sun and shade. The heated infinity pool will ensure the utmost relaxation, with plenty of frosty cocktails awaiting degustation by the cabana. An alfresco dining area is perched before breathtaking Mediterranean views accounting for a magical sensory experience each evening.
