CHALET BLACK PEARL

COURCHEVEL 1850 JARDIN ALPIN, COURCHEVEL

Chalet Black Pearl is an exquisite alpine residence belonging to the prestigious area of Jardin Alpin, enveloped by pristine woodlands and mountains. This glamorous property is lauded for exceptional spa facilities and panoramic views, about 50 yards from the famed ski slopes.

Gorgeous traditional chalet elements convene in the cavernous great room, soaring vaulted ceilings and spacious dimension curating a galaxy of fine timber elements. A romantic alpine feel is updated with modern considerations with elegant lighting. Sumptuous fabrics and plush carpets in bright colors curate an extravagantly decadent interior. Brimming with high fashion prestige, a dazzling palette of magenta and pink curate an unlikely pairing to the nostalgic, rustic wood accents. Tufted rugs and generous throws convene around a modern open fireplace creating an apres-ski relaxation haven. The ground floor emphasizes entertainment and leisure with a huge club-style lounge, private bar, and pool table. An additional cinema room with large, deep-set sofas and a children's playroom is a hit for bigger groups and longer stays. This home flaunts two exceptional gourmet kitchens, elevating gastronomic experiences to a realm of severe importance. The eight bedrooms are furnished in luxury fabrics with private en-suite bathroom facilities.

The lower floor presents an oasis of bodily bliss with a 150 x 150-foot pool, hammam, sauna, Jacuzzi, UV cabin, massage room, and fitness room. An additional lounge area prompts spontaneity and apres-ski decompressing. In essence, the lower floor of this residence is designed to elevate the senses and encourage a state of harmonious well-being.
