CHALET LA GRANDE ROCHE

COURCHEVEL 1850, COURCHEVEL

Chalet La Grande Roche is an outstanding luxury retreat commanding sweeping vistas over the Glacier de Bellecote and the majestic Dent du Villard. Serene and secluded yet, a short distance from world-renowned slopes and the cosmopolitan amenities of the resort, La Grande Roche epitomizes French Alpine fine living.

Spectacular interiors fuse traditional Savoyard charm with scintillating urban elegance. Glorious Alpine timbers embrace homey lodge-style architecture with exposed beams and buxom logs enhancing soaring vaulted dimensions. Panoramic paneled windows douse the interiors with radiant winter sun, pairing gorgeous seating arrangements with postcard-like mountain vistas. Shimmering silver upholstery and textiles capture an icy glamor to the chic open-concept great room, while classically shaped armchairs and furnishings evoke a timeless elegance. Black and white prints evoke Old-Hollywood elegance while antiquated tools adorn the walls as a potent nod to French Alpine folkloric tradition. A spectacular four-sided fireplace offers pivots gracefully between the free-flowing common areas, navigating past fantastic spaces for intimate snowed-in moments or lavish galas. Chalet La Grande Roche delivers seven sumptuous bedrooms accommodating fourteen guests in total comfort, discretion, and style. For those relaxing evenings, the property has its dedicated media room, which boasts a TV with a digital surround sound system providing the highest possible standard of the home cinema experience. Fantastic indoor wellness facilities are not limited to an indoor swimming pool, lounge, hammam, outdoor sauna, massage room, and more.

Traditional wrap-around terraces leave no vantage point unexplored, offering an incomparable backdrop for morning cups of coffee or evening cups of red with dramatic dusk colors animating a sea of glistening snow. An alluring outdoor hot tub beckons alluring apres ski rituals invigorated by crisp Alpine air before a diamond-studded night sky.
