Villa Alexa is a gorgeous, triple-mint waterfront manor boasting breathtaking views and stunning sunsets. This stunning modern Pine Neck residence is prestigiously perched minutes from ocean beaches and a stone's throw from historic downtown Sag Harbor.

Pristine, sleek, and cosmopolitan Villa Alexa pushes the limits of aesthetic excellence. Crisp vertices and lines define the modern interiors, a glorious living, dining, and kitchen area replete with cool industrial chic elegance. Retractable glass walls open up the space to the stunning waterfront views creating an uncanny sense of permeability and lateral space. A cement plaster accent wall houses an elegant modern fireplace. Distinct grey, beige and blue tones douse the area with urban seduction. The beautiful gourmet kitchen is equipped with high-end appliances and a wood-burning pizza oven, rounding off a home where gastronomic indulgence is not taken lightly. Four ultra-chic ensuite bedrooms are fit to accommodate eight guests with the utmost comfort and discretion. Large windows bring the lush outdoors into the privacy of the suites. Between 5,200 sq. ft of prime living space, Villa Alexa supplies a wine cellar, media room, home gym, and a Tesla charging station.

The outdoors presents an expansive deck, heated gunite waterside pool, plush outdoor furniture, and a cozy firepit.
