## VILLA FILOMENA

SOUTHAMPTON, HAMPTONS

Villa Filomena is a show-stopping contemporary estate brimming with quintessential Hampton prestige and glamor. This serene shingle-sided estate benefits from exceptional positioning a mere block away from the amenities of Southampton Village. Epitomizing New England luxury living, this revered property includes a glorious manicured lot enclosed by foliage for utmost discretion. An idyllic summer getaway beckons moments away from charming artisanal shops, fine dining, and famed ocean beaches.

Traditional country home charm meets the pinnacle of haute couture refinement in crisp and radiant interiors. Crisp whitewashed interiors dazzle in the midday sun, creating an ethereally lustrous free-flowing environment. Sparse and uncluttered, Filomena's pared-down walls offer the ultimate canvas for a host of elite prints and paintings, imparting a delectable cosmopolitan inflection to this bright provincial estate. Dainty French doors and ample clerestory accents emphasize Filomena's airiness, while soft beige palettes adorn the hedonistic designer sectional. An intuitively laid floorplan inspires familiarity and hominess, ideal for family getaways. A lovely two-story living room lies at the heart of this unique South Hampton luxury rental. A chef's kitchen with custom cabinetry and professional appliances flows directly into the great room with a fireplace and impeccable finishes. Seven sumptuous bedrooms accommodate guests in total comfort, discretion, and luxury. Cathedral ceilings, a fireplace, a spacious bathroom with a sitting tub, and a balcony overlooking the large backyard all flatter the front-page-ready master suite.

Lush hedges enclose lovely exteriors entailing an immaculately manicured lawn. A romantic patio overlooks a heated gunite pool, perfectly poised beneath the shade of old-growth trees. A covered porch, outdoor kitchen, and BBQ round off a spellbinding Hamptons getaway.
