## VILLA BLUE BAY

SANTA EULALIA, IBIZA

Villa Blue Bay is a spectacular coastal estate claiming some of Ibiza's most secluded stretches of coastline. Perched in idyllic pastoral surroundings near the rural village of San Carlos, Blue Bay commands glorious sea vistas over a rocky coastline while a meandering path navigates to a private cove. Claiming nearly ten acres of lush tropical gardens, this Balearic luxury retreat epitomizes serenity and natural immersion.

Spellbinding interiors present a masterclass of Finca authenticity and boho-chic romanticism. Each of Villa's buildings is the work of esteemed architect Rolph Blakstad Sr, each loyal to a singular aesthetic vision. Radiant common areas are endowed with a golden warmth capturing the quintessence of pastoral calm. Cream-colored walls merge with natural wood beams and a smattering of expertly curated trinkets and decor elements. Globetrotting decor elements. Each corner of this estate brims with intrigue, with intriguing decor and accessories evoking the Island's artisanal traditions. Exoticism meets a delectable organic sensibility in exceptionally homey living and lounge areas punctuated by oversized windows. Lustrous and elegant, Villa Blue Bay offers no shortage of fantastic spaces for casual congregating, with two sculpted fireplaces exceptional venues for late-night chats, a fine glass of red in hand. A gorgeous dining area revels in provincial kitchen nostalgia with playful wall decorations emanating a warm antique patina. Eight sumptuous bedrooms accommodate guests in total comfort, discretion, and elegance. Configured with four in the primary residence and two within a pair of guest homes, sixteen guests are assured total discretion and autonomy. Top-notch amenities include a cinema room and games room, lounge, DJ booth, and infrared sauna covering all the bases from recreation and leisure to rejuvenation.

Villa Barbara comes to its fullest expression with its gorgeous alfresco spaces. Lush park-like grounds include themed gardens, ideally suited for reconnection with the elements. A central swimming pool is poised before the boundless sea horizon, while the crystalline waters of the Mediterranean and nautical adventure await below.

### SANTA EULALIA

Ibiza is one of the Balearic Islands, a Spanish archipelago in the Mediterranean Sea; it has been touted as the world's utopia and will take anyone's breath away. The island is full of surprises and contrasts, from the Platja d'en Bossa lined with hotels, bars, and shops to the sandy coves nestled behind pine-clad coastal hills. Internationally renowned for the legendary nightlife of Ibiza Town and Sant Antoni, major European clubs have their summer outposts here. Not to be overshadowed by its boisterous nightlife, Ibiza is also home to quaint windswept villages, yoga retreats, and pristine beaches. Ibiza has some of the most jaw-dropping beaches in the world, its own salt flats, and is home to Es Vedra, the third most magnetic spot on earth. Everyone should visit this little gem at least once.
