VILLA RIO CHICO

OCHO RIOS, JAMAICA

Villa Rio Chico is an astounding plantation-style estate embraced by lush foliage, located in the heart of Jamaica. It is a few barefoot steps from some of the Island's most beautiful stretches of coastline. This Caribbean beachfront property in Ocho Rios presents the epitome of West Indies highlife living.

A technicolor tropical oasis meets pristine white sands and ethereal turquoise waters at this lavish estate comprised of the main villa and two guest cottages. The interior of this home is exquisite, fusing high culture prestige with postmodern glamor. Ample swinging French doors invite the balmy sea breeze and radiant sunlight, illuminating gorgeous upholstery and high-end, low-profile furnishings. Arched windows and whitewashed walls incorporate a timeless elegance to the Neocolonial interiors. An inventive design collapses the distinction between indoor and outdoor luxury living. Each bedroom is uniquely designed, while all rooms boast sumptuous decor elements, exuding a delectable sense of seaside romanticism. The estate features a total of twelve en-suite bedrooms arranged between three separate houses and an additional three powder rooms. A private fitness center is located directly in the home for the convenience of the guests.

This oceanfront villa is privately nestled on fourteen glorious acres of lush tropical gardens dotted with stone bridges, lily ponds, waterfalls, and figurines. A dreamy tropical haven, Villa Rio Chico never ceases to enchant with its extensive terraces, multiple swimming pools, and jacuzzis.
