## LECH AM ARLBERG

### LECH

Lech am Arlberg tops the list of some of the world's most exclusive ski destinations. Perched in Austria's westernmost state of Vorarlberg, this place of unyielding beauty straddles the serene Lech River. Jagged snow-capped peaks and verdant valleys evoke the idyllic passages from the Sound of Music. Quintessential Alpine village charm is preserved in all its glory, the resort village's prestige bolstered by a loyal clientele of European royal families. An iconic setting claimed by dairy farmers dazzles with eternal romance and class as one of a dozen select locations claiming the revered "Best of the Alps" nomination. Ideal for family getaways, nearly the entire village benefits from ski-in/ski-out access and a robust ski school in honor of Austrian pioneer Hannes Schneider.
