TOWNHOUSE PRISCILLA

SOUTH KENSINGTON, LONDON

Townhouse Priscilla is an exceptional luxury suite immersed in all the prestige and glamor of its exclusive West London location. Known for its superb interior design, lavish luxury amenities, and commanding size, Priscilla stands amongst London's finest properties. At a moment's notice from the V & A, Natural History Museum, and Royal Albert Hall, this urban vacation rental offers a phenomenal portal into the foggy city's unmatched cultural life.

Set over eight floors, Priscilla dazzles guests with its near palatial stature. Double height ceilings, elongated oversized windows, and traditional crown moldings curate the ultimate canvas for an immaculate vision of high culture refinement. Custard-toned interiors, shimmering multi-toned lacquered cabinetry, and wall panels mesh exceptionally in lustrous, free-flowing interiors. Timelessly elegant low-profile quilted seating enhances the home's sense of vertical dimension, grounding the space in an inviting palette of grey, peach, and ivory. Tasteful artworks revel in old Hollywood romanticism. Scintillating elements from the crystal chandelier, glass decor, and mirror accents refract the natural light beautifully, adding a magical luster to the prestigious residence. A focal twenty-foot antique tapestry is a gorgeous highlight of the drawing-room harkening to Knightsbridge's regal illustrious past. Six sumptuous ensuite bedrooms accommodate twelve guests in utmost comfort, discretion, and elegance. Comprising two kitchens, three living rooms, and walk-in wardrobes the size of small apartments, Priscilla is in a league of its own.

A glamorous rooftop terrace delivers 360-degree views over London's iconic cityscape. An oasis of calm in the middle of the urban jungle, a gorgeous alfresco deck, offers exceptional entertaining potential before the sparkling lights of one of the world's most enchanting cosmopolitan centers.
