HOLLYWOOD HILLS, LOS ANGELES

Villa Kezia is a spectacular luxury retreat commanding larger-than-life vistas from its revered Hollywood Hills perch. An architectural triumph of sleek modern design, this Tag Front designed Villa is lauded for its wondrous panoramas stretching from downtown L. A to the Pacific that will have guests mesmerized in incredulity. Secluded and serene, a short drive from one of the world's most glamorous megapolises' Villa Kezia, is synonymous with exclusivity.

Spellbinding interiors present an astounding fusion of contemporary chic elegance and minimalist sophistication. Sleek lines and vertices dazzle with modern precision sculpting vast free-flowing common areas that interact seamlessly with unmatched city views. The harmony and composition of the architecture and interior design are immaculate, delivering a crisp, luxuriant, pared-down ambiance that will leave the most discerning aesthete breathless. An ultra-streamlined, minimalist dynamic is enhanced with a perfect balance of materials and textures comprising premium French Oak, scintillating metal, buxom leather, rich suede, greyscale plaster, and imperial blue felt. This revered Hollywood Hills luxury vacation rental flaunts four outstanding bedrooms, multiple guest baths, and a top-of-the-range chef's kitchen. An in-home elevator navigates across all 5,736 sq. ft of prime living space.

LOS ANGELES

HOLLYWOOD HILLS

Los Angeles holds many distinctions. Its ethereal and otherworldly character earns it the beloved moniker, the City of Angels. It may be the birthplace of Hollywood, but it is much more than just red carpets and silver screen stars. Having a thriving art scene, LA is an absolute cultural mecca with more than 100 museums, like the Los Angeles County Museum of Art (LACMA) with seminal artwork. The city has an exciting medley of restaurants and bars to choose from, and the Art Deco Griffith Observatory high up in the Hollywood Hills, with its Samuel Oschin Planetarium, Tesla Coil, and cameos in several iconic films, is one of LA's most distinctive landmarks. Electric with ethnic diversity and an uncanny Mediterranean climate, Los Angeles is a world unto itself.
