## VILLA LAUREN

BEVERLY HILLS, LOS ANGELES

Villa Lauren is a magnificent Beverly Hills residence seamlessly fusing sleek contemporary style with timeless European elegance. Located just north of Sunset Boulevard, this lavish Hollywood Hills mansion is lauded for its proximity to Rodeo Drive. Prestigiously located, this home is secluded yet a stone's throw from the urban action.

The mansion's DNA is sheer elegance with high ceilings, arched windows, French doors, and custom oak-wide plank floors. A luxurious palette of beige and grey is rendered extraordinary with stunning contemporary furnishings introducing shiny metal, sumptuous velour, and silver accents. A lavish wet bar presenting peak cosmopolitan cool is embraced by bay windows overlooking the outdoors. A large, aesthetically pleasing cryptic typographic piece garnishes the stately two-story foyer. Architectural skylights douse the upper floors in abundant sunlight, animating the scintillating glamor of the modern chandelier and seductive seating arrangements. This home comfortably accommodates up to ten guests between five beautifully appointed bedrooms. Top-shelf amenities include a Bang and Olufsen media room and full-spectrum Control4 automation for lights, sound, security, heat, air, pool, and exterior fountains. A fully customizable experience is offered by the touch of the guest's device of preference.

Magnificently poised from the street, this Villa's artistry begins from the gated entry and extends to a water wall feature and motor court. The outdoor area features incredibly manicured grounds with a pool and spa, a large grassy yard, and a serene meditation garden. Redefining LA highlife living, this exceptional Hollywood Hills mansion rental will dazzle the most discerning clientele.

# LOS ANGELES

## BEVERLY HILLS

Los Angeles holds many distinctions. Its ethereal and otherworldly character earns it the beloved moniker, the City of Angels. It may be the birthplace of Hollywood, but it is much more than just red carpets and silver screen stars. Having a thriving art scene, LA is an absolute cultural mecca with more than 100 museums, like the Los Angeles County Museum of Art (LACMA) with seminal artwork. The city has an exciting medley of restaurants and bars to choose from, and the Art Deco Griffith Observatory high up in the Hollywood Hills, with its Samuel Oschin Planetarium, Tesla Coil, and cameos in several iconic films, is one of LA's most distinctive landmarks. Electric with ethnic diversity and an uncanny Mediterranean climate, Los Angeles is a world unto itself.
