VILLA TORI

BEVERLY HILLS, LOS ANGELES

Villa Tori is an outstanding contemporary residence perched in an idyllic Beverly Hills location. This architectural marvel presents a fresh take on immortal mid-century elegance, complete with a walled-in garden courtyard for total seclusion and serenity. Tucked away yet a short drive from Los Angeles' cosmopolitan allure, Villa Tori delivers the epitome of Hollywood highlife living.

Harmony and balance are keywords in this glorious 3,210 sq. ft abode, featuring light and lustrous interiors outfitted with the finest architectural flourishes and finishes. Limestone floors and skylights meet the radiant purity of whitewashed walls, offering the ultimate canvas for a fantastic array of art pieces. Sleek, elegant, and scintillating, Villa Tori's open-concept dimensions sprawl liberally, curating a fantastic sense of lateral space. Slatted wall accents and wide panel herringbone parquetry impart warmth and softness to the front cover-ready common spaces. Large neo-expressionist pieces evoke the 20th century's most enduring avant-garde trends, offering no shortage of conversation pieces for impromptu cocktail soirees or pre-gala get-togethers. Automated European security shutters and blinds with fine-crafted wood louvered sliding-door panels mediate the highly modular great room, opening up the space to the sun-drenched pool deck from the living, dining spaces, and master suite. There are three great bedrooms plus one off the kitchen, each with great bathrooms complete with sky-lit limestone baths and walk-in closets. This retreat can accommodate up to six guests in three memorably designer ensuite bedrooms.

Alluring sun loungers, a spa, and romantic dining spaces complete a home perfected for nocturnal get-togethers. A gorgeous outdoor area matches the caliber of the interior design, with lush hedges enclosing a serene private oasis. The two-car garage is a must-have for a Los Angeles luxury getaway.

LOS ANGELES

BEVERLY HILLS

Los Angeles holds many distinctions. Its ethereal and otherworldly character earns it the beloved moniker, the City of Angels. It may be the birthplace of Hollywood, but it is much more than just red carpets and silver screen stars. Having a thriving art scene, LA is an absolute cultural mecca with more than 100 museums, like the Los Angeles County Museum of Art (LACMA) with seminal artwork. The city has an exciting medley of restaurants and bars to choose from, and the Art Deco Griffith Observatory high up in the Hollywood Hills, with its Samuel Oschin Planetarium, Tesla Coil, and cameos in several iconic films, is one of LA's most distinctive landmarks. Electric with ethnic diversity and an uncanny Mediterranean climate, Los Angeles is a world unto itself.
