# VILLA INFINITUM

PORT D'ANDRATX, MALLORCA

Villa Infinitum is a stunning contemporary villa lauded for its coveted positioning and showstopping bay views. Perched about 500 yards from the marina and just under a mile from the famed promenade of Port d'Andratx, this residence offers a comprehensive Balearic Island experience.

High fashion elegance and seaside romanticism define this ultra-chic modern home. Glorious oversized windows douse the great room in generous sunlight, animating the great room's high-end upholstery. Quick access to the main deck, a sumptuous minimalist design, and a monochrome color palette accentuate a sense of dimension and permeability with the outdoors. Sparsely yet very well appointed, the great free-flowing room seamlessly melds the living, dining, and kitchen area. Ideally, for casual or lavish entertaining, there's an adjoining wine cellar and a billiard room just off the kitchen. Understated luxury and rustic accents from the native stone accent wall and the prestressed natural wood surfaces, present the ultimate counterpoint to the kitchen's streamlined cabinetry and sleek slate countertops. Villa Infinitum offers five sumptuous en-suite bedrooms, accommodating ten guests in utmost style, comfort, and discretion. Each of the private suites is afforded majestic sea and harbor views. Ample recreation and relaxation options are provided courtesy of the basement's top-of-the-line spa area, replete with a gym, sauna, jacuzzi, and indoor pool.

A stunning rooftop lounge offers endless nocturnal entertaining potential, featuring a sleek pool and covered alfresco pavilions. The boho-chic main deck shaded by retractable awnings overlooks the main infinity pool boldly jutting into the sea horizon, the sparkling lights of the bay accompanying each magical evening.
