VILLA SANA

NUEVA ANDALUCIA, MARBELLA

Villa Sana is a fabulous and classy frontline golf villa in a gated community with private security. It is situated at one of Marbella's most prestigious addresses in Nueva Andalucia, in Marbella's Golf Valley. Despite its secluded spot, it is very central. The home is just minutes away from shops, restaurants, and the beach and a five-minute drive from both Puerto Banus and Marbella.

Renovated and furnished to the highest possible standards, this immaculate and utterly private villa flaunts a balanced combination of classical and modern styles with Andalusian touches. It is an excellent example of elegant sophistication. White color is the leitmotif of the interior and exterior design and architecture of Villa Sena. It is more than just a color; it exemplifies freshness and sophistication and in that sense, it has been utilized to fashion this sumptuous property, from the white minimalism of the kitchen area to the creamy white exposed beam ceilings. The villa's main living areas enjoy broad vistas of the gardens and golf course beyond, with the main spacious lounge area opening onto the terrace. The kitchen area has a full array of modern essentials and utensils perfectly hidden in a minimalist fashion. Villa Sena's seven bedrooms are comfortably and lavishly furnished, some with ensuite bathrooms boasting decadent free-standing bathtubs. The property also features a separate guest house, yoga room and gymnasium.

Externally, a super-length swimming pool is the home's focal point; plus numerous terraces, poolside and pergolas, or canopy roofed chill-out areas make for singular socializing spots contributing to an uplifting atmosphere. The villa is framed by manicured lawns, grass-blocked pavers and gardens. Villa Sena truly is one of Marbella's most sophisticated and stylish homes.
