CHALET MONT BLANC

MEGEVE, MEGEVE

Chalet Mont Blanc is an astounding luxury chalet brimming with quintessential Ski-chic glamor and French Alpine prestige. Awe-inspiring mountain vistas merge with unmatched convenience, with this residence straddling the famed Jaillet pistes, perched just above the ski lift. This all-season stunner commands outstanding views over austere mountain peaks and the glittering lights of Megeve below, the village a minute chauffeured ride away.

Fantastic interiors present a bold fusion of high fashion glamor and ski-lodge romanticism. A cavernous triple-story layout flanked by majestic oversized glass accents curates exceptionally dynamic and well-zoned-out interiors. The exquisite living room is drenched with cosmopolitan chic refinement, lustrous mirror console tables, indulgent designer furnishings, and evocative contemporary art curating common areas of exceptional prestige. Each scintillating decor element emanates the aura of a fine work of art, its shimmering surfaces complemented by buxom grey timber interiors. Chalet Mont Blanc abounds with an exceptional sense of permeability and oneness with its magical surroundings. Six sumptuous ensuite bedrooms offer versatile lodging for twelve adults, while another room is perfect for four more children. No expense is spared, with each suite presenting a haven of rejuvenation complete with deluxe bedding, lavish toiletries, minibars, and plasma televisions. Outstanding in-home wellness facilities include an indoor heated swimming pool, sauna, steam room, private hair salon, and fitness area. Not to be outdone, a lavish cinema room and wine cellar round off a home perfected in Alpine luxury, where quiet nights and special moments with loved ones are always accompanied by an a la carte wine list.

Wondrous outdoor decks are perched before the purest distillation of French Alpine beauty, where an awe-inspiring backdrop renders ordinary experiences extraordinary. A large heated infinity pool is splayed before the glittering lights of Megeve, while a private helipad takes alpine luxury living to vertiginous heights.
