CHALET ROCK AND STARS

MEGEVE, MEGEVE

Chalet Rock and Stars are two outstanding sister estates lauded for their extraordinary mountain vistas. Ideal for reconnection with the elements or those seeking to conquer them, this luxury Chalet is an oasis of rejuvenation and recreation. With the ski lift at walking distance, this exceptional residence finds itself at the forefront of mountain exhilaration.

A masterclass in coziness and ski lodge charm, Chalet Rock and Stars is well equipped for idyllic family scenes with amenities for everyone. Beautiful common spaces exhibit a great combination of ski lodge romanticism and cosmopolitanism. Glorious timber interiors are sculpted by a dynamic network of trusses, vaulted exposed beams, and slatted wood accents for a space perfected in the art of snowed-in coziness. Chic contemporary accents abound, adding a lovely urban inflection to the home, creating a lovely backdrop for lavish post-ski cocktails or formal dining affairs. Oversized windows and sliding glass offer seamless navigation to the Chalet's generous wrap-around terraces peering into the purest expression of French Alpine beauty. Exceptionally outfitted and streamlined kitchens offer the ultimate workspace for the culinary professional seeking to acquaint guests with local delicacies. Eight exceptional bedrooms are zoned-out across Chalets Rock and Stars for maximum guest discretion and autonomy. There is an additional kid's bedroom with one single and one bunk bedroom, suited for two more guests. Comprehensive in-home wellness facilities include a hammam, sauna, hot tub, indoor heated pool, and fitness area, while a cozy cinema room and bar secure rest and entertainment at night.

The captivating outdoors are defined by majestic mountain views, fully immersing guests in the stunning Alpine surroundings of Megeve. Indulge in fine conversation enveloped by the replenishing mountain air beneath an impossibly starry night sky. Partake in blissful apres ski rituals savoring a fine glass of red before magical dusk scenes upon a sea of glistening snow.
