CHALET MONT TREMBLANT

MERIBEL LES ALLUES, MERIBEL

Chalet Mont Tremblant is a revered mountain residence brimming with quintessential French Alpine prestige and glamor. Belonging to some of Meribel's most prestigious regions, this luxury vacation rental reconciles natural beauty and seclusion with privileged resort Village access. Boldly re-envisioning the twenty-first-century luxury Chalet getaway, this home is an idyllic abode for those seeking to conquer or reconnect with the elements, with world-class lifts and ski slopes a short distance away.

A one-of-a-kind interior design direction sets this Meribel luxury vacation Chalet apart from the rest. Alpine romanticism meets rustic Americana and Pacific Northwest charm, creating a truly spectacular ambiance. A glorious network of trusses and beams majestically frame a large, vacuous great room evoking the American Indian Longhouse tradition. A galaxy of warm wood grains matches exposed masonry with plenty of aboriginal textiles imparting a delectable sense of exoticism to the eclectic ultra-chic home. Vast sliding glass doors, clerestory accents, and architectural skylights penetrate the breezy luxury Chalet with the winter sun, animating a diverse selection of furnishings and decor, fusing artisanal and old-timey with the scintillating and modern. Metallic Bauhaus-style loungers are updated with cowhide exemplifying a bold collision of the cosmopolitan and the rustic. Vast free-flowing spaces present no shortage of great spaces for intimate get-togethers by the roaring fire or impromptu cocktail soirees. Floor-to-ceiling glass from the formal dining and common areas overlooks a fabulous sun-drenched deck wrapped in wondrous Alpine vistas. Chalet Mont Tremblant delivers six sumptuous ensuite bedrooms that accommodate twelve in maximum comfort, discretion, and elegance. Glorious in-home spa facilities include a hammam and massage room.

This Meribel luxury vacation rental comes to its fullest expression with its vast deck space outfitted with an outdoor hot tub and swimming pool. An all-season stunner Chalet Mont Tremblant offers no shortage of vantage points for soaking in excellent Alpine vistas and the otherworldly quietude.
