APARTMENT LOGAN

SOUTH BEACH, MIAMI

Apartment Logan is a spellbinding luxury suite commanding extraordinary vistas over Miami Beach. Synonymous with prestige and cachet, this revered luxury rental belongs to one of the region's most acclaimed 5-star hotels, at a moment's notice, from chic restaurants to high-end retail and vibrant cultural programming.

Sleek lines and dimensions sculpt an extraordinary free-flowing luxury Apartment punctuated by extraordinary floor-to-ceiling glass. Minimalist elegance meets subtle seaswept hues in exceptional common spaces imbued with a dreamy coastal charm. Cool grey and organic sunbleached timber notes compliment the saturated blue tones flooding the lustrous and crisp interiors. An intuitive floorplan channels the all-day sun, while common areas never lose sight of boundless Atlantic vistas. Exceptionally suited for intimate get-togethers or low-key relaxation, Apartment Logan delivers outstanding living areas by acclaimed interior designer Debora Aguiar. The custom kitchen created by Italkraft features stainless steel appliances by Sub-Zero & Bosch, Grohe fixtures & Kohler sink basins. The beautiful open-concept dining space is a lovely congregation spot for larger groups. All three ensuite bedrooms have been luxuriously appointed and optimized for the most restful sleep. This Miami Beach luxury Apartment is fully outfitted with the latest in audiovisual and entertainment technologies; the last thing guests may expect here is a faulty internet connection.

A lovely north-facing balcony is exceptionally suited for majestic dawn or dusk scenes, with plenty of loungers and furnishings to enjoy a hot coffee or an indulgent glass of red. Attuned to the decadence of Miami Beach luxury living, Apartment Logan is an extraordinary vacation rental for those seeking a glamorous beach getaway.
