VILLA NEVA

NAUTILUS BAY, MIAMI

Villa Neva is an exemplary property belonging to some of Miami Beach's most prestigious residential areas. Serene, secluded and embraced by lush tropical foliage, this home offers unmatched tranquility moments away from the bustle of the downtown core and the neon glamor of Ocean drive.

Uncluttered, chic, and abounding with a high fashion sensibility, Neva is fully attuned to Miami glamor and cultural life. Dazzling interiors present the pinnacle of cosmopolitan refinement. Pristine white interiors house opulent shimmering surfaces from the beautiful stone floors, glossy cabinetry, veneered wood, and shiny glass. Oversized windows embellish the home with a delectable sense of permeability, inviting the verdant green foliage into the monochrome interiors. An intuitive floor plan facilitates intimate get-togethers or lavish entertaining affairs with ease, with hurricane impact sliding doors incorporating the seclusion of the private yard. Chef's kitchen features top-of-the-line Sub Zero & Wolf appliances, custom cabinetry, and a unique sliding door separating the working areas from the rest of the house. Five sumptuous ensuite bedrooms accommodate guests in utmost comfort, discretion, and elegance. Master suite w/ custom walk-in closet & luxurious marble spa-like bathroom.

The outdoors present an intimate private haven of relaxation embraced by hedges and lush tropical foliage. A sizeable veranda flanks a chic pool curating, offering plentiful potential for nocturnal or all-day entertaining. A separate cabana with a bathroom and covered pergola rounds off this delectable Miami Beach oasis.
