VILLA PARADISE

EZE, MONACO

Villa Paradise is a glorious estate perched on the Cote d'Azur's most dazzling stretch of coastline, between Saint Jean Cap Ferrat and Monaco. This supremely opulent Villa fuses Frank Lloyd Wright futurism with distinctive French Riviera glamor. Perfectly poised straddling the hills, this vacation rental is lauded for its far-reaching 180-degree views over the bay of Eze.

This innovative California-style estate presents a bold take on luxury beachside living. Comprising nearly 4000 sq. ft of prime living space between two levels, this wondrous vacation rental offers the pinnacle of ultra-sleek, haute couture refinement. All enveloping glass walls flood the open concept great room with the mesmerizing sea horizon. Minimalist sensibilities enhance Paradise's tremendous sense of lateral dimension and unique sculptural shape. A stunning monochrome palette of beige, cream, and alabaster is enhanced with black trim, outlining the estate's stature and artful linear dimensions. Pared-down interiors are exceptionally appointed with a keen eye for high fashion aesthetics. Scintillating glass console tables, low-profile leather sofas, and a glossy grand piano convene in the free-flowing salon, rounding off an exceptional entertainment space. Lavish indoor and outdoor spaces blend imperceptibly, curating an idyllic environment for social spontaneity and mass-scale entertaining. This enchanting contemporary estate boasts five glorious private suites equipped with ensembles, each afforded immersive sea vistas.

The unique curvature of the estate, jutting out authoritatively, maximizes interaction with its surroundings. An expansive glass-railed rooftop terrace takes nocturnal entertaining to vertiginous heights before a dramatic coastline and epic blue horizon dotted with mega-yachts. A focal infinity pool, easily accessible from the great room, protrudes into the sky. A five-vehicle capacity garage proves ideal for car enthusiasts seeking to cruise the M6098 in style.
