VILLA SEASTONE

CABO NEGRO, REST OF MOROCCO

Villa Seastone is a futuristic luxury rental with a sleek and futuristic design. Its architectural vision is inspired by nature, offering great freedom of expression. Nestled in a secluded setting in Cabo Negro in Morocco, it is surrounded by lush vegetation providing incomparable tranquility and privacy. Its privileged location offers breathtaking panoramic views of the mountains and the Mediterranean, making this place an ideal place to relax. The home is positioned perfectly between Tetouan and Tangier, so whether you prefer smaller airports that allow private planes to land, or larger ones more suitable for international flights you will find a perfect place to land.

The organic structure of this magnificent home embodies the perfect fusion between art, beauty, man, and nature. This exceptional property features an open floor plan that invites you to embrace the vastness of its spacious interiors. A central stone fireplace serves as the heart of this architectural masterpiece, creating a warm and inviting focal point. Oversized windows frame breathtaking water views, immersing in the ever-changing beauty of the coastal landscape. Crisp whites and sandy neutrals adorn the interior, mirroring the colors of the shore, while nautical decor evokes the soothing spirit of the ocean. This Moroccan luxury rental offers the perfect blend of spacious luxury and comfort, with five beautifully appointed bedrooms. Each bedroom is designed with utmost relaxation in mind, providing a peaceful haven to rest and rejuvenate after a day of coastal adventures. Single beds can be added to the existing bedrooms as well as cribs, making it possible to host fourteen guests or more. The stunning views of nature's beauty from each bedroom's window create a serene and rejuvenating atmosphere, allowing each guest to immerse in the tranquility of the Moroccan landscape. Every corner of the residence has been designed with meticulous attention to detail, like a sculpture, thanks to the work of Belgian artist Jean-Jacques Radelet.

Villa Seastone also features a terrace overlooking the sea and cantilevered volumes as sunshades, as well as two cascading swimming pools and an indoor and outdoor garden, adding a touch of natural beauty to the whole. Whether basking in the day's warmth or stargazing at night, this outdoor haven is designed for the utmost enjoyment. Villa Seastone also has water access, watersport inflatables perfect for water activities, a boat, and a zodiac accessible to its guests for skiing and sightseeing, presenting a ticket to a vacation that dreams are made of.

REST OF MOROCCO

CABO NEGRO

Nestled on the cusp of Africa, where the vast Atlantic Ocean converges with the serene Mediterranean Sea, lies the enchanting Kingdom of Morocco. It is a land steeped in heritage and history, resplendent with imperial cities, and abounding in luxurious experiences that beckon the discerning traveler. The ancient Berber kingdom of Mauretania laid the foundation for what would become a vibrant tapestry of cultures and traditions. The Roman Empire left its indelible mark with architectural marvels such as Volubilis. The French Protectorate era shaped the modern identity of Morocco, blending European influences with indigenous customs.
