BEST MYKONOS VILLA

HOULAKIA, MYKONOS

Best Mykonos Villa is an astounding luxury complex presenting a world of unadulterated hedonism. Boldly redefining Greek Island vacationing, this palatial estate gives resort-like grounds that resurrect the art of epicurean indulgence. A dazzling array of multi-tiered decks, verandas, and rooftops conform to the rugged coastline, delivering astounding vistas over Mykonos' breathtaking Northwestern coastline. A destination in itself, this residence curates an unmatched getaway for large groups.

Best Mykonos Villa presents architecture and design, a stunning fusion of Cycladic authenticity, bohemian beach-chic refinement, and exotic panache. An innovative floorplan weaves 16,000 sq. ft of prime living space, traversing plentiful standard rooms, specialized amenities, and everything in between. Perched above the shimmering waters of the Aegean, the estate's inspiration surrounds, with a delectable beachside rusticism informing the design. Palapa thatched exteriors, rounded edge interiors, exposed beam ceilings, arched doorways, and hidden nooks are just some elements that define this festive, maximalist home. Far from luxury accommodation, staying in Best Villa presents a choose-your-own-adventure of beachside luxury living. The complex collapses the distinction between indoor and outdoor spaces, with indoor jungles and open courtyards interspersed between opposing property wings. Defined by permeability, this residence is perpetually wafted by the fragrant sea breeze. The complex offers thirteen sumptuous ensuites, with two rooms for private staff. Up to twenty-four guests are accommodated in utmost comfort and style, welcomed by neat highlights, including an in-home gym, spa lounge, and multiple underwater bars.

This extraordinary Villa boasts a whopping infinity pool and an outdoor jacuzzi for a more intimate staycation. Whether guests are smokers or have pets, Best Mykonos Villa curates a no-holds-back philosophy of hedonism splayed before outstanding Aegean views stretching to Delos, Tinos, and Santorini.

MYKONOS

HOULAKIA

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
