SUNSET VILLA

FANARI, MYKONOS

Sunset Villa is an astounding coastal estate commanding glorious sea vistas from an authoritative hilltop perch. Stratospheric Mykonian views surround the multi-tiered edifice, pairing spellbinding natural beauty with world-class amenities. Tucked away, far from the throngs of tourists, Sunset Villa is a veritable gem of the Island's unspoiled Northwestern coast, affording guests total discretion and otherworldly serenity.

Exquisite interiors present a potent merger of timeless Cycladic charm and seaswept boho-chic romanticism. Pristine whitewashed interiors offer the ultimate canvas for a host of lovely maritime-themed decor elements and designer furnishings. Rounded edge elements and natural wood exposed beams radiate in purest alabaster, instilling a delectable nautical vibe to the free-flowing interiors. Sun-bleached wood floors create a lovely sense of continuity with the outdoors whilst matching the sumptuous grey palettes of the low-profile furnishings and crisp linen slipcovers. What sets Sunset Villa apart is its endless echelons of dynamic oversized windows inundating the interiors with majestic Aegean panoramas evoking the epic mythologies of Homer and Odysseus. Romantic, chic, and utterly attuned to the infectious pace of Greek Island living, this vacation rental is defined by a delightful holiday ambiance. This Mykonos vacation home presents eight sumptuous ensuite bedrooms, while two master suites flaunt private verandas. Intuitive and well-zoned out, Sunset Villa accommodates sixteen guests in utmost comfort, discretion, and elegance.

A stunning pool deck extends from the main living space, where a large infinity pool takes center stage, stretching out dramatically towards the sea horizon. An additional swim-up bar offers the ultimate venue to take in the colors of dusk before the endless glittering expanse. Outfitted with sunbeds, a BBQ, and ample alfresco spaces, this estate is ready for all-day and all-night entertainment.

MYKONOS

FANARI

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
