## VILLA AEGEAS

ORNOS, MYKONOS

Villa Aegeas is a spectacular hilltop residence commanding an exhilarating Bay and open sea views. Belonging to some of Mykonos' most coveted terrain stretches, guests of this lavish estate are moments from the ethereal sands and crystalline waters of Ornos beach. Spellbinding vistas over the Island's rocky coastlines and deep azure waters evoke the epic Greek mythologies of Homer and Odysseus.

Aesthetically immaculate interiors present a stunning marriage of classic Cycladic charm and contemporary chic sensibilities. Sunbleached wood beams, rounded edge interiors, and a sumptuous palette of beige, white, and alabaster curate an exceptional coastal ambiance. Floor-to-ceiling glass walls inundate the free-flowing common areas with ample light, illuminating, scintillating modern decor elements, and shimmering precious stone walls. Well-appointed dining, lounge, and kitchen spaces fuse seamlessly together, curating an ideal space for entertaining and social spontaneity. A gorgeous floating staircase with Calacatta marble steps accentuates the breezy interiors' outstanding sense of vertical dimension. A fully equipped chef's kitchen is outfitted with ample countertops and well-integrated high-end appliances, curating an ideal workspace for the budding chef or culinary professional. Eleven fantastic ensuite bedrooms are arranged across Villa Aegeas' three-story primary estate and guest house. Four of the suites boast a private terrace with personal alfresco lounge furniture.

Villa Aegeas' expansive exteriors offer no shortage of fantastic shaded and unshaded deck spaces perfected for all-day or all-night entertaining or a light workout in the outdoor gym. Multi-level terraces leave no vantage point unexplored in soaking in the sights and the sun's replenishing rays. A focal infinity pool juts out dramatically towards the infinity Aegean horizon, offering a coveted spot for an evening wind-down with friends or family.

## MYKONOS

### ORNOS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
