VILLA ARION

ALEOMANDRA, MYKONOS

Villa Arion is an exceptional estate brimming with Hellenic glamor and prestige. Belonging to some of Aleomandra's most revered areas, Arion delivers outstanding vistas, otherworldly serenity, and the pinnacle of white globe amenities. Native stone walls enclose this idyllic elite getaway prestigiously perched at moment's notice from the Island's top sights and attractions.

Spectacular interiors are a masterclass of contemporary chic refinement and boho chic romanticism. Classic Cycladic elements merge imperceptibly with modern design direction, harmoniously melding comfort, form, and function. Sleek lines sculpt thoroughly modern open-concept spaces punctuated by echelons of dainty French doors, flooding the interiors with natural sun and far-reaching sea views. Deeply grooved ceilings hover before an enchanting palette of beige, cream, and light grey evoking the sea-swept palettes of the austere beautiful Mykonian terrain. Ultra plush seating arrangements outfitted with alluring designer furnishings pivot around a central eight-seat dining area. Subtle yet exceptionally potent decor elements impart a delectable sense of whimsy and beach exoticism to the chic yet laidback space. The free-flowing and intuitive floorplan navigates across a spacious open-plan living space, RV room, dining area, and fully equipped kitchen. A native stone accent wall blends gorgeously with a divinely sculptured spiral staircase navigating to five sumptuously designed ensuite bedrooms. Three of the bedrooms boast lovely sea-view balconies. A one-bedroom guesthouse offers ancillary lodging options conjoined with an elite gym and massage room.

An enclosed lot is grounded by a generous 82 X 56-foot swimming pool embraced by alluring loungers and glamorous sunbathing spaces. A glorious sunken seating booth is surrounded by the pool's waters, curating a fantastic nocturnal ambiance for late-night cocktails. A BBQ and the pool bar round off a fantastic Mykonos luxury Villa equipped for all-day and all-night entertaining.

MYKONOS

ALEOMANDRA

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
