VILLA BETTY

AGIA SOPHIA, MYKONOS

Villa Betty is a wondrous estate commanding the spellbinding rocky hillsides of the revered Agia Sofia coastline. This luxury complex pushes the bounds of Greek Island living, belonging to the most exclusive tier of vacation property. Far-reaching views peer into the purest distillation of Mykonos' savage beauty, endless views over the Aegean evoking the epic mythologies of Homer and Odysseus. Betty fuses otherworldly serenity and unmatched luxury amenities with quick access to the excitement of Chora town.

Aesthetically immaculate interiors present a stunning marriage of seaswept Cycladic romanticism and contemporary chic refinement. Radiant white-washed walls reveal whimsical rounded edge elements with gorgeous arches, built-in banquettes, and alcoves appearing as if sculpted from pure meerscham. Sunbleached timber accents dazzle in beautiful exposed beam ceilings adding dimension to common areas of alabaster purity. A dynamic free-flowing floor plan dazzles with versatility and a feeling of living in familiarity, with ample swinging doors offering seamless navigation to generous alfresco areas. An enchanting chef's kitchen outfitted with top-of-the-line appliances and countertops incorporates a live cliff face, curating a truly one-of-a-kind gastronomic ambiance. All spaces are appointed with detail and sophistication, where comfort reigns supreme with the presence of two separate living rooms. Villa Betty accommodates twenty guests in utmost comfort, discretion, and elegance between eleven well-appointed ensuite bedrooms.

Glorious alfresco spaces entail an expansive swimming pool, three separate sitting areas, and an open-air TV theater projector jettisoning nocturnal entertaining to vertiginous heights. Replete with romantic pergola-shaded dining and grills areas, a garden promenade, and a lighted tennis court, Betty secures its place as one of the Island's most ravishing luxury vacation properties.

MYKONOS

AGIA SOPHIA

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
