# MYKONOS

## POULI

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
