VILLA MANDRA

ALEOMANDRA, MYKONOS

Villa Mandra is an astounding residence offering fantastic sea views and year-round sunsets along the Mykonos coast. Sitting on the ridge of the hill of Aleomandr, yet almost entirely hidden from view, Villa Mandra overlooks far-reaching vistas stretching to the neighboring island of Delos. Fusing spectacular views, otherworldly nature, and a delectable design direction, Villa Mandra is sure to dazzle the most seasoned luxury adventurer.

Interiors present a glorious combination of seaswept romanticism and boho-chic elegance. An innovative floorplan reinvents indoor-outdoor luxury with three whitewashed units convening around a gorgeous covered alfresco area of lightweight chestnut. This luxury Mykonos rental offers a masterclass in Cycladic charm and minimalist sensibilities, with subtle rounded edge accents and natural wood decor, capturing quintessential island breeziness. Sleek lines and crisp vertices make up thoroughly modern, lustrous interiors smattered with chic modernist furnishings. Neutral earth tones, stone, and wood textures dominate the estate. The courtyard presents the Villa's focal point, seamlessly connecting the living and kitchen areas benefitting from garden and pool deck views. Five bedrooms are exceptionally zoned-out across the property for maximum guest discretion and autonomy.

The gorgeous, expansive deck commands vertiginous views from its coveted Aleomandra hill perch. The exteriors flaunt an exceptional infinity pool embraced by sunbeds and loungers, beckoning unforgettable moments with loved ones before astounding vistas. An outdoor techno gym, sound system, and seductive lounge area before glistening Aegean vistas set Villa Mandra apart as one of Mykonos' premier luxury vacation rentals.

- Mountain View
- Water View

MYKONOS

ALEOMANDRA

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
