VILLA ORIANNA

AGIOS LAZAROS, MYKONOS

Villa Orianna is an extraordinary seafront estate perched along the glorious Agios Lazaros coastline. This exemplary Mykonian estate commands exquisite south-facing sea views incorporating the distant islands of Delos and Rhenea, offering an unparalleled alfresco backdrop. Dramatic positioning places this luxury residence at the edge of the rocky coastline, its pristine rounded edge facade perfectly embedded in the austere majesty of Mykonos' natural beauty.

Unique interiors fully embrace Greece's unmatched cultural legacy, with Alberto Pinto-inspired frescos adorning the walls with striking mythological themes. A breezy pastel palette brings an artful dimension to the romantic interiors, while multi-toned wood floors, sculptured seating, and blue French doors envelop the dreamy living room. Bespoke curvaceous furnishings are the ultimate compliment to Villa Orianna's unique windswept polygonal shape straddling the dramatic coastlines. A diversity of finishes adorn the walls, each room offering a world unto its own, enhancing the awe-inspiring sea views. Six exceptional bedrooms are varied in size and configuration, lodging up to twelve guests in utmost comfort, luxury, and prestige. Guests may look forward to plush king and queen-sized bedding, lavish spa-inspired ensuites, breathtaking sea views from the comfort of private balconies. An indoor hammam and gym area cover the bases for recreation and relaxation with its in-home elevator, further elevating it to an elite class of Mykonian homes.

Striking exteriors present the pinnacle of luxury Island living, offering a wealth of covered and uncovered lounge areas perfectly outfitted for all-day entertaining. The curved infinity pool flows off into the Aegean horizon, offering an unmatched venue to appreciate the sunset. An on-property helicopter pad ensures guests never skip a beat when rejuvenation and adventure are on hand.

MYKONOS

AGIOS LAZAROS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
