VILLA SERENDRA

AGIOS LAZAROS, MYKONOS

Villa Serendra is a commanding residence perfected in the art of Hellenic luxury living. Belonging to the revered shores of Agios Lazaros, this estate boasts coveted access to the famed sands of Psarou, while a short drive separates guests from the eternal charms of Mykonos town. An idyllic Island getaway awaits between the estate's sweeping vistas, gorgeous design, and proximity to amenities.

Voluminously airy and imbued with seaswept romanticism, Serendra's breezy open concept interiors embody a delectable Zen quality and serenity conducive to the most restful getaways. Spellbinding whitewashed interiors are radiant with sunlit purity. Rounded edges, natural wood beams, and shiplap accents borrow from a classic Cycladic vernacular, while tasteful artworks and sculptures impart the right amount of cosmopolitan sophistication to the ethereal common areas. The deep cobalt blue horizon streams through nearly every corner of the home, framed by the billowing dance of fine linen curtains. Classy and minimalist with grave attention to detail, the interiors are enriched with artisanal decor and handmade rugs. A sculpted staircase links the three alongside a modern elevator. Adding to the appeal, ten thoughtfully spaced bedrooms designed with your utmost convenience in mind offer accommodation of an exceptional standard. Stylish and seductively presented, all feature luxurious bedding, large flat-screen television, air conditioning, and ensuite baths. Two showstopping master suites at the upper level cover an area of 1506 sq. ft. in all, complete with rooftop balconies.

This revered luxury property comes to its fullest expression with its exceptional alfresco spaces. A glamorous infinity pool is poised before immersive panoramas adjoined by a large heated Jacuzzi. A teak deck includes amble shaded areas, including an alluring cocktail bar well perched to witness dusk colors shimmer across the boundless sea.

MYKONOS

AGIOS LAZAROS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
