ARTISTS RESIDENCE

QUEENSTOWN, NEW ZEALAND

Artists Residence is an astounding contemporary residence perched in a vast mountain valley immersed in the South Island's natural splendor. Sleek lines make up an obtuse sculptural facade toeing the line between the avant-garde and the primal. An award-winning architecture of copper, stone and concrete pavilions interact gloriously with undulating verdant meadows, making up some of New Zealand's most spectacular luxury vacation villas.

Spellbinding interiors present a masterclass of boho chic exuberance and eclecticism. An insatiably playful and unique decor offers the ultimate compliment to Artists Residence's austere and striking architecture. An utterly unique floorplan is flanked by immersive floor-to-ceiling glass and artfully placed windows bringing the vast dimensions and serene seclusion of the outdoors in. Raw materials and organic textures, such as the local schist stone, are displayed on full, offering a delightful contrast with the neighboring timber shiplap accents. Dynamic and youthful, Artists Residence playfully interrogates dimension, form, and balance across an idiosyncratic yet intuitive floorplan exceptionally conceived for spontaneity and fun. Striking brass sculptures straddle the wall, while blown-glass artisanal bulbs hang delicately, crowning the alluring great room. Brimming with surprises and unique touches, each element of this revered South Island luxury vacation rental is integral to an enchanting aesthetic whole. A lovely patchwork of textiles convenes around the seductive low-profile sectional, bringing oriental hedonism to the midst of the South Island's savage beauty. This Queenstown holiday rental features three fantastic ensuite bedrooms ready to accommodate six guests with utmost comfort, discretion, and elegance. Highlights include a media room and a sunroom perfect for enjoying a relaxing morning coffee.

Gorgeously embedded into its surroundings, Artists Residence is lauded for its 360-degree vistas channeled into every sq. inch of prime living space. An idyllic nature retreat awaits only a five-minute drive from historic Arrowsmith; this Queenstown luxury vacation Villa leaves none impervious to her charms.
