THE ELMS AT LAKE HAYES COLLECTION

LAKE HAYES, NEW ZEALAND

The Elms at Lake Hayes Collection is a spectacular contemporary estate perched along some of Lake Hayes' most striking stretches of coastline. With majestic natural environs moments away from the Queenstown center and Arrowtown's main street, The Elms offer the best of both worlds. A veritable architectural masterwork, the Villa's iconic staggered three-story appearance corresponds to three separate luxury apartments that may be experienced as a whole or by unit.

From the seduction and pared-down intimacy of the exotic suite to the lustrous free-flowing glamor of the middle apartment, The Elms offer no shortage of incredibly executed entertaining spaces, sure to leave an indelible mark on guests. Each suite flaunts a distinct flavor of contemporary chic refinement ranging from oriental exoticism to industrial-chic elegance. Walls of glass immerse guests in spellbinding inlet views, allowing ample sunlight to animate a host of glossy high-end finishes and spellbinding modern furnishings and decor. A sprawling free-flowing layout is ideally suited for spontaneous or formal entertaining opportunities, with most of the suites flaunting two living spaces. Attuned to 21st-century comforts, each apartment flaunts an intuitive open-plan living concept, cinema rooms, and hot tubs. Ten lavish bedrooms spare no expense, with each afforded luxurious spa-inspired bathrooms. Configured with three bedrooms in the top and bottom apartments and four in the middle, The Elms assure upwards of twenty-four guests the highest standards of comfort, discretion, and elegance.

Varied in motif yet unified in living concept, each of the suites flaunts covered and uncovered deck spaces splayed before the majestic lake and mountain views. Private glass balconies extend from individual suites while the decks protrude towards the horizon elsewhere. The Elms offers no shortage of open deck space conceived for grilling and congregating to suspended contemplative solariums.
