APARTMENT DENNIS

CENTRAL PARK SOUTH, NEW YORK CITY

Apartment Dennis is a stunning urban residence prestigiously poised overlooking Central Park and the iconic Wollman Rink. Exceptionally situated, this residence presents a rare portal into the aristocratic heritage of New York City close to the upper east side and world-class fine dining, high-end retail, and cocktail lounges.

The glorious interiors present a delectable combination of regal old-world opulence and mid-century modern panache. Period piece furnishings meld harmoniously with a modern violet velour sectional, a boxy wood fireplace providing a stunning contrast to ornate Rococo detailing. Three glorious floor-to-ceiling windows flank the great room, their vertices creating an uncanny continuity with the shallow coffered ceilings. Eclectic, funky, and teeming with globetrotting antique decor, heirlooms, and objets d'art, apartment Dennis curates a genuinely uncanny ambiance informed by the high culture refinement of a bygone era. A lovely kitchen with exceptional marble counters and backsplash sets the scene for gastronomic exploration with friends and family. Up to four guests may enjoy this generously proportioned estate replete with two sumptuous bedrooms, a home office, and three bathrooms.

Must-see sights abound from the residence's coveted positioning. Discover the Central Park Zoo, Rockefeller Center, and The Frick Collection within a few strides of the front door. An utterly unique residence attuned to the pulse and heritage of New York, this luxury vacation rental is sure to leave no guest indifferent. LVH requires owners to comply with regulations for all home rentals within New York City.
