APARTMENT LOUIS

CHELSEA, NEW YORK CITY

Apartment Louis is an outstanding Manhattan luxury rental belonging to the storied neighborhood of Chelsea. This architectural masterwork is the work of the legendary firm Eric Sheffield Architects and the design force of Paris Forino and master builders, effectively re-envisioning urban luxury living.

Interiors present a triumph of haute couture refinement and mid-century elegance, with every square inch more beautiful than the next. Custom designer furnishings, accessories, and timeless retro futurist treasures are scattered throughout. Lustrous open-concept spaces present a unique take on the New York City loft, with Apartment Louis' immaculate design a testament to the tireless pursuit of the sublime, fusing classic Uptown sensibilities with the chic vibrancy of Downtown. Sparsely yet impeccably furnished, each furnishing and decor element appears integral to a wondrous aesthetic whole across radiant free-flowing interiors. Impeccable inlays, shimmering accents, precious stone flooring, and obtuse Bauhaus-inspired flourishes round off an immaculate residence drenched with immersive panoramas over the Meatpacking district. Between 5,444 sq. ft of elite living space, this full-floor residence offers fantastic areas for low-key cocktail soirees or lavish pre-gala get-togethers. A superbly fitted kitchen flaunts custom Gaggenau and Subzero appliances, taking epicurean exploration and gastronomic indulgence to new heights. A den with a wet bar, a playroom/library, and full-throttle luxury home automation brings the pinnacle of convenience to the guest. This lavish Chelsea Apartment rental has four exquisite bedroom suites and an additional staff quarter. The master bedroom has two entrances, two full baths, and two dressing rooms.

Guests can enjoy the southern views with the private south-facing terrace. At a moment's notice from New York's unmatched fine dining scene, raucous nightlife, and world-class cultural programming, guests are fully immersed in the bustle of this dazzling cosmopolis.
