PENTHOUSE WESLEY

CHELSEA, NEW YORK CITY

Penthouse Wesley is the crowning residence of one of New York's most iconic condominiums, designed by top architect Lindy Roy. This glamorous residence presents a perfect mix of contemporary architecture, European elegance, and authentic Chelsea charm. An aesthete's dream, this residence places guests in the very heart of the High Line Contemporary Art District.

A private key-locked elevator teems with exclusivity, bringing guests directly into the gorgeous light-filled unit embraced by cityscape views. Pristine white interiors are the perfect canvas for a slew of colorful post-modern pieces. Floor-to-ceiling windows and soaring 13-foot ceilings highlight a dramatic sense of verticality, while a crafty wire-entangled chandelier embodies the playfulness of the suite's artful decor. A gorgeous dining area is draped in opulent violet tones, with an indigo accent wall popping against the white quilted padding of the breakfast nook. Minimal and teeming with high fashion glamor, the dining room melds into the high altitude outdoor terrace presenting an ideal entertaining spot. The state-of-the-art living space offers well-crafted Varenna cabinetry, modern Miele appliances, and a fabulous skylight in the kitchen. The stylish Italian glass tile in bathrooms perfectly matches its modern architecture. Penthouse Wesley offers three exquisite bedrooms, accommodating a total of six guests in utter comfort and discretion.

Presenting urban living on Cloud Nine, soaring towers embrace the suite. Lean out French balconies with shimmering steel filigree balustrades, and take in the sights. North, South, and East facing views douse the property with perpetual sunlight while an exclusive 1100 sq. ft rooftop terrace presents the pinnacle of cosmopolitan living. This exemplary property is one of the finest examples of the luxury New York penthouses available for rent. LVH requires owners to comply with regulations for all home rentals within New York City.
