VILLA LETICIA

HONOLULU, OAHU

Villa Leticia is a palatial oceanfront estate harmoniously melding breezy Island charm with contemporary refinement. Prestigiously poised, this ravishing property straddles an incline, with private pathways leading through lush foliage to private Maunalua Bay frontage. Hitting all the right notes, this estate boasts access to the region's finest beaches and all the fine dining and retail of Hawaii Kai.

Leticia's interiors present the epitome of sophistication. An innovative floorplan leads guests through smart multi-level common spaces prioritizing flow and airiness while maintaining the integrity of each room. A gorgeous double-story foyer dazzles upon arrival, beige palette enlivened with warm wood detailing. High ceilings, clerestory windows, and a water feature bring the sight and sound of the ocean into the open-concept living room, dining room, and fully equipped kitchen. Calming earth palettes create a lovely conduit between the modern, streamlined finishes and the subtle elegance of beach rusticism. Villa Leticia features six opulent ensuite bedrooms, five of which feature king-sized bedding, presenting unparalleled comfort and discretion for up to twelve guests. The master suite featuring a fitness area opens to a spacious private terrace jutting over the rich azure horizon. Two more guests can be accommodated on a pull-out sofa.

A personal haven of serenity, the outdoors presents an exceptional pool and jacuzzi facing the Pacific. An adjacent walkway leads to a hidden sand terrace smattered with alluring loungers, while a shaded lanai sets the scene for fantastic alfresco moments before exquisite Diamond Head sunsets. A private ocean access below the sandy terrace provides exclusive entry to the serene waters. Assuring space, comfort, privacy, and style, Villa Leticia is undoubtedly one of the finest Villas for rent in Hawaii.
