EL CHORRO, PUNTA DEL ESTE

Casa Zen is a splendid residence perched on high ground, offering panoramic views of the picturesque Punta del Este, from its golden beaches to its glimmering cityscape. This strategically positioned haven provides a unique vantage point that captures the region's beauty. This luxury rental is located between the popular areas of Jose Ignacio and La Barra but is far enough from the crowds and city traffic.

This modern home is fitted with the latest technology, and its open floor plan seamlessly integrates the living and dining areas. One of the defining features of Villa Dolores is its two modern and fully equipped kitchens, the main one on the upper level of the space. The home has five bedrooms, four of them with ensuite bathrooms. It also has a staff room, which can be used as a sixth guest bedroom. Innovation infuses every corner of this modern retreat with iPad-controlled automation systems that enable residents to manage and customize their environment effortlessly. ## PUNTA DEL ESTE

### EL CHORRO

Punta del Este is one of South America's foremost beacons of fine luxury living. Well-known for decades by the Argentine and Brazilian jet-set, this seaside city's reputation now goes far beyond hemispheres. A place to see and be seen, this glitzy coastal community has inspired comparisons to Monaco. Scintillating casinos, glamorous beaches, and famed club zones brimming with the buzz of celebrity sightings and gossip make up Punta's mystique. From the Gaudi-style whimsy of Carlos Páez Vilaro's cliffside art gallery to the iconic Mano en la Arena sculpture protruding from the fine sands of Playa Brava, Punta del Este abounds with a youthful and exuberant spirit that enchants far and wide.
