CASA FORTUNA

LA PUNTA ESTATES, PUNTA MITA

Casa Fortuna is an exemplary oceanfront luxury estate prestigiously perched at the very tip of the peninsula. Lauded for outstanding style, otherworldly serenity, and spellbinding water views, Casa Fortuna revels in the prestige of Punta Mita's finest properties. This revered estate is moments away from the region's world-renowned golf links, Bahia and Pacifico, and high-end boutique and fine dining scenes.

Interiors present a delectable fusion of Mexican authenticity and high fashion refinement. Dynamic living spaces incorporate the majesty of the jungle exteriors, while palapa thatched roofs soar into the sky atop pristine white facades. Retractable glass walls ensure maximum permeability, while a sophisticated high contrast palette of black and white presents ultra-chic cosmopolitan elegance with a subtle bohemian inflection. A bold multi-level design interfaces fully with the exteriors with versatile common spaces conjoined by internal courtyards and private paths past koi ponds, fragrant flower beds, and towering jungle foliage. Well adapted for fantastic gastronomic experiences, the kitchen pavilion flaunts regal stone slab countertops and state-of-the-art appliances for a workspace destined to delight the most discriminating culinary master. The rounds comprise six private casita bedrooms, each with en-suite bathrooms and air conditioning ready for sixteen occupants. The master bedroom includes a private lounge area, walk-in closet, kitchenette, and direct pool access.

Extraordinary natural beauty is matched by outstanding external infrastructure. Lush gardens and verdant lawns abound, replete with secluded nooks for intimate moments and wide-open spaces for celebratory affairs. Far-reaching ocean views are next to none and are best enjoyed from the comforts of the sizeable swimming pool or hot tub.
