CASA TODO BIEN

KUPURI AND IYARI ESTATES, PUNTA MITA

Casa Todo Bien is a spectacular contemporary estate prestigiously perched atop a lush bluff commanding extraordinary ocean views. Named after its proximity to the famed Kupuri Beach Club, this Villa is fully attuned to the glamor and prestige of Punta Mita luxury living. Overlooking some of the peninsula's most enchanting stretches of coastline nestled between lush tropical groves, Casa Todo Bien sets the gold standard for discretion and serenity.

Interiors present a veritable masterwork of contemporary refinement, with showstopping glass walls immersing the space with immersive ocean vistas. The pinnacle of urban-chic sophistication is delivered to the technicolor jungles of the Nayarit coastline, with streamlined surfaces, slick vertices, and high fashion industrial accents making up the free-flowing great room. Seductive, refined, and teeming with Bondian cool, the formal dining, living room, and alfresco spaces meld seamlessly together for a truly one-of-a-kind entertainment space. Slick and minimalist yet overflowing with personality and never austere, Casa Todo Bien dazzles with its artful lighting and tasteful decor. Serene neutral tones make up each of the six sumptuous ensuites with bold concrete and textile accent walls. This expansive residence measuring 10,000 sq. ft may accommodate up to ten adults and six children in maximum comfort and luxury, making it a prime candidate for multi-family or large group getaways.

Exceptionally appointed outdoors rival the glamor of the Riviera's most acclaimed beach clubs, offering a seductive heated infinity pool, alluring sun loungers, and therapeutic jacuzzi for all entertaining and recreative needs. Elegance and otherworldly quietude merge with an alfresco dining area and firepit, elevating glamping to a new level.
