VILLA CIEL DAZUR

ANSE DES CAYES, ST. BARTH

Villa Ciel D'Azur is an exclusive retreat with beautiful sea views located on the heights of Anse des Cayes. This St. Barth luxury vacation rental is the ultimate fusion of a breathtaking tropical setting, chic modernist style, and unmatched comfort and discretion.

Sleek, light, and airy, the dazzling great room follows the contours of all-encompassing glass walls dousing the interiors with sweeping sea views. Enveloped in glamorous hues of white and grey, glossy ivory surfaces and shimmering steel accents dazzle with haute couture elegance. This luxurious monochrome palette harmoniously melds the sumptuous sectional with the formal dining area and ultra-streamlined kitchen. A six-seat bar counter is ideally conceived for casual moments soaking in the seaside views. LED underscored rounded tray ceilings pair beautifully with the artfully arranged ring lighting, a pinch of Hollywood flair added with the home's selection of pop art. Six sumptuous bedrooms of varied sizes and configurations assure versatile lodging ideal for multigenerational families or groups of friends, the final bedroom belonging to an outbuilding. This luxury vacation rental features a master bedroom adorned with a double bathroom, exquisite marble design, spacious dressing rooms, a secluded sunbathing deck, and direct garden access, imparting an unparalleled charm to the accommodation. Villa Emery presents an indoor gym with a massage room and an additional media and games room.

The glorious wood deck runs the length of the dominating heated infinity pool, running parallel to the mesmerizing sea horizon. Built-in banquettes, a jacuzzi, and a covered grill area beckon St Barth's highlife living at its best. Athletic guests can enjoy water activities on Anse des Cayes, the spectacular white sand beach ideal for surfing, located just a short stroll away from the Villa.

ST. BARTH

ANSE DES CAYES

St. Barths, also known as Saint Barthélemy, is hands-down one of the most gorgeous islands in the Caribbean. It is lauded as “the” destination for global elites, otherwise known as the billionaire’s playground. An idyllic destination to unplug and recharge, the Island brims with gourmet restaurants and luxury boutiques. This French island, consistently topping destination wish lists, is actually a volcanic rock just eight miles square and is home to 9,000 residents. The lovely atoll has retained its character and charm with Creole-style cottages and mountainous landscapes that hug bright white sand beaches. St. Barths satiates the ultimate tropical paradise fantasy, offering no shortage of reasons for visitation, from NYE celebrations, family reunions, honeymoons, conferences and more. Guests may heighten their dream vacations by staying at one of St. Barthelemy’s luxury villa rentals. These exquisitely-appointed properties are the height of elegance.
