VILLA FIREFLY

ANSE DES CAYES, ST. BARTH

Villa Firefly is an outstanding seafront estate, dominating some of St. Barths' most exquisite stretches of coastline. This thoroughly modern vacation property overlooks spectacular vistas over Anse des Cayes's famed sands and the boundless expanse of the Caribbean. Ideally perched in proximity to high-end retail, world-famous gastronomy, or adrenaline-pumping water recreation, Villa Firefly is a crowd pleaser sure to dazzle the most discerning traveler.

Sleek lines and crisp vertices make up striking contemporary interiors embraced by immersive echelons of sliding glass walls. The estate's defining characteristic is its uncanny sense of permeability and oneness, with the surroundings dousing nearly every square inch of the home in awe-inspiring tropical vistas. Firefly's design direction is tempered and minimalist, offering a potent fusion of sleek elegance and seaswept romanticism. A host of rattan and wicker find expression in a diversity of soothing earth tones, offsetting the home's sprawling dimensions with a feeling of organicism and coziness. A commanding horse-shoe sectional shrouded in crisp linen slipcovers grounds one of two main living spaces, delineating a remarkable space for impromptu gatherings and spontaneity. A host of sunbleached timber accents and decor enhance the home's modern maritime charm while soaring exposed beam vaulted ceilings supplant a sense of freedom and verticality. A state-of-the-art Chef's kitchen offers the ultimate fusion of form and function, presenting the ultimate workspace for the culinary professional. This beachfront Villa rental gives seven fantastic ensuite bedrooms, exceptionally configured across the multi-story property for maximum guest versatility and discretion.

Villa Firefly comes to its fullest expression with its fantastic alfresco spaces, grounded by an extra-long swimming pool and glamorous pool bar. Exceptionally suited for all-day and all-night fun, this estate is imbued with youthful energy with plenty of terraces and deck spaces for cocktail galas or celebrations under the stars.

ST. BARTH

ANSE DES CAYES

St. Barths, also known as Saint Barthélemy, is hands-down one of the most gorgeous islands in the Caribbean. It is lauded as “the” destination for global elites, otherwise known as the billionaire’s playground. An idyllic destination to unplug and recharge, the Island brims with gourmet restaurants and luxury boutiques. This French island, consistently topping destination wish lists, is actually a volcanic rock just eight miles square and is home to 9,000 residents. The lovely atoll has retained its character and charm with Creole-style cottages and mountainous landscapes that hug bright white sand beaches. St. Barths satiates the ultimate tropical paradise fantasy, offering no shortage of reasons for visitation, from NYE celebrations, family reunions, honeymoons, conferences and more. Guests may heighten their dream vacations by staying at one of St. Barthelemy’s luxury villa rentals. These exquisitely-appointed properties are the height of elegance.
