## LE PETIT PARADIS

LA CROIX-VALMER, ST-TROPEZ

Le Petit Paradis is a dreamy luxury vacation Villa nestled in the verdant hills of the Cote d'Azur and just a short drive from Pampelonne Beach. Pastoral romance meets the pinnacle of Riviera glamor in a paradisaical hilltop setting, moments from the luxury amenities of Ramatuelle. Fragrant local flora and umbrella pines frame breathtaking Mediterranean vistas from this Saint Tropez vacation home's extraordinary perch.

Spellbinding interiors present an immaculate fusion of beach glamor and bohemian whimsy. A dynamic architecture fusing country-modern features and brash contemporary dimension sculpts a lustrous free-flowing home interfacing gracefully with the resplendent exteriors. A harmonious mix of urban grit, pastoral romance, and contemporary glamor make up a design aficionado's dream, with each square inch of the Villa conceived to surprise and dazzle. From the selection of decor and furnishings, each element of Le Petit Paradis feels integral to a dazzling aesthetic whole. A gorgeous sun-drenched living area garnished with haute couture, low-profile furnishings, and ultra plush textiles is wrapped in airy French windows offering seamless interaction with the exteriors. A unique industrial-styled gourmet kitchen impresses with buxom timbers, shimmering precious stone countertops, and masculine steel accents. Old-world tapestries and warm terracotta tones welcome the all-day sunlight with playful birdcages and gold-gilded accents, imparting an ethereal glow to this enchanting luxury villa in Saint Tropez. Eight fantastic bedrooms offer versatile lodging options for friends and family, setting aside an idyllic Riviera retreat.

Le Petit Paradis comes to its purest expression with its expertly manicured exteriors. Immaculate lawns meet lush flora, setting the scene for all-day recreation. Dedicated recreation spaces are ideal for the little ones: the villa's children's room, play mezzanine, and open plan area are completed with an outdoor jungle gym and advanced pool security system. An elegant veranda runs the length of the home, overlooking a sizeable infinity pool jutting out authoritatively towards the Mediterranean horizon. This revered Saint Tropez luxury rental epitomizes pastoral calm and French Riviera luxury.
