VILLA CANOUBWEST

BAIE DES CANEBIERS, ST-TROPEZ

Villa Canoubwest is a grandiose Mediterranean estate lauded as one of Saint Tropez's most remarkable coastal properties. This gorgeous luxury rental spans nearly two acres of landscaped gardens in a revered residential neighborhood. Direct sea access and proximity to the famed sands of Canebiers and Pampellone define an estate attuned to the pinnacle of French Riviera luxury living.

A gorgeous terracotta facade gives way to sumptuous interiors, presenting a potent fusion of contemporary chic refinement and high fashion glamor. Sleek lines and crisp vertices make up thoroughly modern sculptural interiors imbued with a luxuriant sheen and ultra-polished sensibilities. White interiors present the ultimate canvas for dazzling pewter, silver, and bronze accent walls, warm patinas curating a space of remarkable prestige and serenity. The stunning chef's kitchen flaunts high-concept fittings from Bulthup, offering a stylish workplace for the culinary master. Wondrous textiles awash in salmon and light violet emanate haute couture prestige in an uncluttered salon brimming with cosmopolitan elegance. Soft Italian stone, gleaming Calacatta marble, and neutral travertine flooring make up aesthetically immaculate free-flowing interiors that challenge the distinction between indoors and outdoors. An innovative layout retains the integrity of each common area without obstructing a graceful sense of flow and airiness. Eight wondrous ensuite bedrooms flaunt a unique gradient of Cote d'Azur opulence, each presenting impenetrable oases of total rejuvenation. Sixteen discerning guests are accommodated in complete comfort, discretion, and luxury.

Marvelous exteriors match the high pedigree of the interior design, with breathtaking sea vistas rendering the most ordinary outdoor activity extraordinary. The rolling emerald lawn is bordered with lush foliage, fragrant bougainvilleas, and palms, while umbrella pines soar before a glamorous swimming pool poised before the azure horizon. Belonging to the most exclusive tier of Saint Tropez vacation property, Villa Canoubwest is a rare find destined to seduce the aesthete and seasoned luxury traveler alike.
