LE CAPON, ST-TROPEZ

Villa Celestine is a glorious Mediterranean-styled property nestled in fragrant pine woodlands. This lavish residence straddles the heights of Saint Tropez in the Capon district, midway between Canoubiers beach and Tahiti beach. Utterly secluded yet at moment's notice from all the action, guests are treated to the best of both worlds. Indulge in a serene or jam-packed itinerary soaking in the buzzing atmosphere of the town.

Celestine's sun-kissed interiors present a masterclass of Neo-Provencal charm and pared-down elegance. Sleek lines and crisp vertices abound with contemporary precision in breezy and free-flowing interiors punctuated by oversized windows. Serene ivory, beige, and cream tones are complimented by French Oak, with vaulted wide-plank ceilings instilling an exceptionally airy and soothing ambiance. Permeable and refined, this estate lets the pastoral splendor of the outdoors speak for itself, opting for crisp, elegant, practical furnishings. The kitchen sliding doors lead onto a beautiful veranda with an alfresco dining and barbecue area. Eleven sumptuous bedrooms are configured between the primary residence and the autonomous guest providing comfortable and versatile lodging options for up to sixteen discerning guests.

Enchanting grounds comprising lush lawns, fragrant Mediterranean gardens, and shady palms curate an exceptionally romantic getaway.
