## VILLA GOYAVE

LES PARCS, ST-TROPEZ

Villa Goyave is a superb seafront estate belonging to the famed Les Parcs complex of Saint-Tropez. Embraced by lush Mediterranean foliage, this residence is perched a few barefoot steps from some of the Riviera's most coveted shorelines. Moments away from the bustle of Saint Tropez, this home is fully attuned to the prestige and glamor of Cote d'Azur luxury living.

Contemporary chic elegance and globetrotting exoticism merge in this luxury rental's glorious common spaces. Bohemian decor and vivacious artworks impart an ambiance of wanderlust and whimsy to ultra-chic areas conceived for cocktail soirees or lavish get-togethers. Expansive glass-paneled walls impart a magical sense of permeability with the lush outdoors. An expansive living room featuring plush high concept furnishings and tastefully curated globetrotting artifacts conjoins the pool deck with a Zen central courtyard. A free-flowing floorplan navigates through glorious lounge areas supplanted with sophisticated dark wood accents. Striking accent pieces investigate the distinction between the primal and the avant-garde in a spacious reception area and salon. An artfully conceived bar flaunting exotic veneered woods pairs with chic terracotta sculptural seating, stylized wrought iron console tables, and a stunning handcrafted chess set. Gorgeous indoor spaces are rendered dynamic with retractable glass walls. This sumptuous property offers seven lavish ensuites, each offering a unique gradient of far-east Imperial stylings. Top-notch amenities include an elevator, gym, hammam, massage room, home cinema, and laundry facilities. This Saint Tropez vacation rental offers a separate caretaker house with two bedrooms for guardians of the Villa.

Exteriors present a majestically landscaped garden spanning over an acre. Sunloungers embrace a glamorous infinity swimming pool posied before excellent sea views. A mooring pontoon and helisurface place this home in a league amongst the Riviera's most coveted luxury properties.
