VILLA MILDRED

LES PARCS, ST-TROPEZ

Villa Mildred is a stunning Mediterranean complex comprising two fantastic twin residences. Belonging to the prestigious Parcs region of Saint Tropez, Mildred offers spectacular bay vistas that leave none indifferent. Romantic pastoral surroundings are matched with forward-thinking contemporary architecture for a fresh take on the French Riviera luxury getaway.

Striking interiors fuse industrial-chic stature with understated haute couture elegance. An impressive great room sculpted by vast vaulted dimensions and embraced by floor-to-ceiling glass dazzles with simplicity and refinement. A monochrome palette of white and grey dazzles in the mid-day sun across tasteful designer furnishings and minimal decor elements. Light earth tones and natural hues impart potent hints of seaswept charm with an organic fiber carpet and sunbleached timber accents. A dominating double-sided hearth divides the highly modular and soothing space in two, offering a lovely space division while retaining an incredibly open and breezy living philosophy. The pinnacle of modern beach sophistication, Villa Mildred provides fantastic spaces for casual downtime or evening indulgence with the ten-seat formal dining area. An exceptionally streamlined gourmet kitchen flaunting elite custom cabinetry, top-of-the-line appliances, and a generous island sets apart the ultimate workspace for the culinary professional. Eight outstanding ensuite bedrooms introduce an incomparable level of comfort and intimacy. Each suite is exceptionally configured across Villa Mildred's wings for maximum guest discretion and autonomy.

Fantastic interiors span manicured lawns and lush verdant gardens before immersive beach panoramas. Soak in the sights or the midday sun splayed by the poolside loungers serenaded by singing cicadas and invigorated by pine and vineyard fragrances. This Saint Tropez luxury rental presents two outdoor pools offering no shortage of refreshment from the midday sun.
