VILLA ROCHELLE

GASSIN, ST-TROPEZ

Villa Rochelle is a glorious Mediterranean estate perched in the pastoral peripheries of mythical Saint Tropez. A serene hinterland setting at a moment's notice from the cosmopolitan bustle of the port town satiates every itinerary from those seeking cultural or natural immersion. Lush landscaping and verdant lawns make up grounds of outstanding repute, commanding extraordinary panoramas over the gulf.

Gorgeous interiors present a potent fusion of provincial romanticism and high culture flair. Sleek lines and crisp vertices sculpt voluminous double-story spaces, complete with a lovely iron-wrought-railed mezzanine. A dynamic floorplan curates an incomparable sense of breeziness and verticality with a more intimate lounge and media room stacked atop the formal main floor. Rochelle's free-flowing common areas are eclectic and chic yet grounded in an elegant aristocratic tradition. Classically shaped furnishings scintillate with rich silver upholstery, while saturated vermilion accents contrast gloriously with the home's inviting beige palettes. Integrated shelving enhances an exquisite sense of dimension while tying in the bottom and lower floor common areas. Floor-to-ceiling imparts a feeling of permeability and oneness with the pastoral surrounding. Tasteful collage artworks elaborate on an enchanting color palette, while a showstopping provincial-style kitchen presents the idyllic setting for exploring the intricacies of French cuisine. This sun-kissed Saint Tropez luxury rental delivers six sumptuous ensuite bedrooms accommodating up to 12 guests in total comfort, discretion, and luxury.

The lovely Villa Rochelle may be savored in any season, with its outstanding grounds and tireless views. A 49-foot swimming pool with an adjoining gazebo, kitchenette, and sunken seating area simulate the glamor and prestige of the region's most exclusive beach clubs. Perfected in the art of *savoir vivre*, this luxury vacation Villa leaves none impervious to her charms.
