At moment's notice from Turks and Caicos' most ethereal beaches, this luxury Villa satiates the ultimate Caribbean Island fantasy. Soak in the otherworldly seclusion and supernatural tropical beauty of Princess Alexandra National Park, a few barefoot steps away from impossibly soft, flour-fine sands and balmy turquoise waters.

Wondrous interiors present a triumph of contemporary chic refinement and beachy romanticism. Sleek lines and crisp vertices sculpt voluminous free-flowing spaces wrapped in floor-to-ceiling glass. This revered Turks and Caicos luxury vacation rental is defined by a delectable sense of permeability and oneness with paradisaical tropical surroundings. Natural textures, pared-down pieces, and shades of blue lend an infectiously nonchalant spirit to the living area, dining area, and fully equipped kitchen. A glorious culinary exploratorium awaits, ready to satiate the most demanding epicurean whims and gastronomic cravings. This spectacular retreat offers five bedrooms with king-sized bedding, including one in the guest house and one bedroom with two twin beds. All six bedrooms have en-suite bathrooms, and several boast honeymoon-suite-worthy features such as furnished private balconies accessed by slide-away glass walls or dreamy alfresco showers. Additional amenities include an air conditioner, flat-screen televisions, and lightning-fast Wi-Fi, bringing the pinnacle of comfort to the most remote corners of the Caribbean.

Glass doors lead to the infinity-edge swimming pool outdoors with signature outdoor showers, multiple terraces, and decks perfect for alfresco dining and BBQ. # TURKS AND CAICOS

## LONG BAY

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
